Earth Medicine (1&2)	American Indians	1975	DVD	56	1. Philip Lebowitz speaks with Little Tree in the New Fairfield woods. Focus of the episode is on the medicinal uses of 'roadside plants.' Little Tree finds various plants and describes how to identify and use them. Plants include: boneset, jewel's weed/silverleaf, lambs quarters, pokeweed, grape leaf, Joe Pye weed. 2. Medicinal uses of 'roadside plants.' Little Tree finds various plants and describes how to identify and use them. Little Tree also discusses bees and bumblebees. Plants include: hardhack, thistle, dandelion, plantain, and horse nettle. Little Tree is a Native American from Connecticut, now a resident of Pittsford, Vermont. He says, "I am a Namante, one who heals by spiritual power, and a Matenu, one who heals by use of plants . Part of an eight part series on the use of plants and trees in health .	PERF	No	
Earth Medicine (3&4)	American Indians	1975	DVD	56	3. Plants include: evening primrose, which is edible but not medicinal; spreading dogbane, treatment for kidney ailments; bouncing bet, used as a soap; fleabane, which can be burned to repel bugs; yarrow, which can be made chewed as an oral novocaine and made into a tea for treating menstrual cramps; and wild carrot/Queen Anne's Lace, which has an edible root. 4. Plants include: sumac, which can be made into a juice from the berries; wild peppermint, which can be used as a tea; milkweed, whose leaves can be fried and eaten and sap applied to warts as a wart remover; goldenrod, which can be used as a tea; mullen, which can be used as a tobacco additive or in tea; burdock, whose root can be dried and used as tea for treating breathing ailments; black nightshade, a cure for insomnia; and jimson weed,	PERF	No	
Earth Medicine (5&6)	American Indians	1975	DVD	56	5. Plants include: comfrey leaf, which can be used as a tea to purify blood; sweet fern, which can be used to treat canker sores and also smoked as a tobacco additive; licorice tree root, which can be chewed and used as a dental floss or in tea; maidenhair, which can be applied to hair; Solomon's seal, for treating arthritis; goldenseal, which is a powerful cure-all in tea form; and sweet flag/indian root, which is a ceremonial Algonquin root. 6. Trees include: White Pine, the needles of which can be chewed as a source of vitamin c; Hemlock, used to treat flu; White Cedar, used as a menstrual treatment; Red Cedar, with edible berries and a treatment for swollen glands; Walnut, with edible nuts; and the Maple, a source of	PERF	No	
Earth Medicine (7&8)	American Indians	1975	DVD	56	7. Trees include: slippery elm, willow, white ash, white oak, poplar, and birch. Little Tree also explains uses of alum root and sword fern. 8. Medicinal uses of clay and dried leaves. Little Tree discusses proper way to collect clay, then describes how to use it by mixing with glass of water and drinking. Also discusses external uses of clay. Dried leaves shown include boneset and sage. Also discussion of ginseng root.	PERF	No	
Gabriel Women: Passamaquoddy Basketmakers	American Indians	1999	DVD	28	Mary Gabriel, born in 1908 on the Passamaquoddy Reservation in Indian Township, Maine, and honored as a National Heritage Fellow in 1994, tells the inspiring story of learning the centuries-old basketmaking tradition from her grandmother, and of passing the tradition on to her two daughters, Sylvia and Clare. The three women illustrate their commitment to cultural values and how they have served as mentors to others.		No

Invisible	American Indians	2005	DVD	59	This film examines some of the history of the relations between the white and the Indian communities in Maine. Through individual voices, it looks at underlying reasons for the racism so deeply embedded in white American culture and how that culture continues to shape Native American reality today. Includes 83 minutes of supplemental interviews.		No	
Language Keepers (box set)	American Indians	2009	7 DVD Set	180	25 edited natural conversations in Passamaquoddy-Maliseet recorded between 2006 and 2008 in Maine and New Brunswick that evoke the knowledge and values of Passamaquoddy-Maliseet community life. These exchanges range from humorous storytelling, oral history, and personal reminiscence to conversations about everyday experiences, past and present. The Soctomah Sisters, Natuwisine: Let's Go Pick Berries, Nmihqelsultipon etolamotultiyek: Cards and Memories, Sitomok: On the Shore, Kcihkuk: In the Woods, Elatkuhkalkiyiq: How Our Stories Are Told and Etucintuhtiyek: We Sing So Strongly.	PERF	Yes. \$49.95 or \$19.95 each individual title.

Our Lives in Our Hands	American Indians	1988	DVD	50	Micmac Indian basketmaking cooperative in northern Maine. Sponsored by the Aroostook Micmac Council and produced by Jarred Carter and Harold Prins.		Yes. \$24.95	
Penobscot Basketmaker-- Barbara Francis	American Indians	2002	DVD	52	The life and basketry work of Barbara Francis, a Penobscot who lived on Indian Island, Maine.		Yes. \$19.95	
Song of the Drum: The Petroglyphs of Maine	American Indians	2004	DVD	47	In Maine, the Native Americans began carving images into stone ledges beginning about 3,000 years ago. These petroglyphs, probably the work of shamans, were used as metaphors of the spirit quest or to help memorize chants. Because the petroglyphs had powerful spiritual qualities, they were avoided by the uninitiated. This film presents explanations and ideas about what the images mean and how they changed as the ideas of the people who made them changed.		Yes. \$24.95	
Wabanaki Film & Video of Northeast Historic Film: A Selection	American Indians	2009	DVD	42	A bibliography compiled by Micah A. Pawling		Yes. \$5.00

Maine Masters Project - Alan Magee	Artists & Authors	2002	DVD	30	Cushing-based painter and printmaker Alan Magee (born 1946) is a modern master painter and printmaker. His paintings invite wonder at the inherent dignity and beauty of simple objects, such as letters, tools and stones. His monotypes offer haunting images of faces scarred by the world. The Maine Masters Project is an ongoing series of portraits of some of Maine's most compelling yet under-recognized artists. The series was conceived in 1999 by Robert Shetterly and Deb Vendetti of the Union of Maine Visual Artists as an archive of interviews with Maine artists.		No (see mainmasters.com)	
Maine Masters Project - Children of Iraq (Olive Pierce) and Olive Pierce	Artists & Authors	2002	DVD	30	Olive Pierce from Rockland, ME is in her early 80s. Her gritty, documentary black and white photographs have focused on community: a Maine fishing community; high school; and the children of Iraq. She is an unflinching truth teller;The Maine Masters Project is an ongoing series of portraits of some of Maine's most compelling yet under-recognized artists. The series was conceived in 1999 by Robert Shetterly and Deb Vendetti of the Union of Maine Visual Artists as an archive of interviews with Maine artists.		No (see mainmasters.com)	
Maine Masters Project - Clark Fitz-Gerald	Artists & Authors	2005	DVD	30	Sculptor Clark FitzGerald (1917-2004) moved to Castine in the 1950s. Having fallen in love with Maine, he decided to see if he could survive on his art in the place he found inspirational. He became one of Maine's most successful sculptors, a master in wood, metal, and stone. His large-scale sculptures are found around the world. The Maine Masters Project is an ongoing series of portraits of some of Maine's most compelling yet under-recognized artists. The series was conceived in 1999 by Robert Shetterly and Deb Vendetti of the Union of Maine Visual Artists as an archive of interviews with Maine artists.		No (see mainmasters.com)

Maine Masters Project - Dahlov Ipcar	Artists & Authors	2003	DVD	30	A New Englander by birth, Dahlov Ipcar (born 1917) was introduced to Maine by her parents, artists William and Marguerite Zorach. Ipcar, whose first solo show took place at the Museum of Modern Art, has gained wide recognition through her marvelous paintings of animals and her many children’s books. The Maine Masters Project is an ongoing series of portraits of some of Maine’s most compelling yet under-recognized artists. The series was conceived in 1999 by Robert Shetterly and Deb Vendetti of the Union of Maine Visual Artists as an archive of interviews with Maine artists.		No (see mainmasters.com)	
Maine Masters Project - David Larson	Artists & Authors	2010	DVD	30	David Larson said his mission was to “articulate the mystery.” His paintings make no judgments as they explore issues of belief, doubt, angst, suffering, identity, and love. He worked from a place of rigorous integrity, loving the quest, agonizing in the unknown. His paintings investigating the story of Moby Dick and the politics of the Last Supper, are central to this documentary. A deeply felt tribute to a great American artist directed by his son, Soren Larson, a television news producer and filmmaker in New York City. The Maine Masters Project is an ongoing series of portraits of some of Maine’s most compelling yet under-recognized artists. The series was conceived in 1999 by Robert Shetterly and Deb Vendetti of the Union of Maine Visual Artists as an archive of interviews with Maine artists.		No (see mainmasters.com)	
Maine Masters Project - Harold Garde	Artists & Authors	2002	DVD	30	Harold Garde (born 1923) taught for many years before retiring to Maine in 1984. His energy and artistic vigor have had an enormous impact on the community of Maine artists. A painter and printmaker, he often works in series, focusing on figures and faces, chairs and kimonos. He lives in Belfast, ME and in New Smyrna Beach, Florida. The Maine Masters Project is an ongoing series of portraits of some of Maine’s most compelling yet under-recognized artists. The series was conceived in 1999 by Robert Shetterly and Deb Vendetti of the Union of Maine Visual Artists as an archive of interviews with Maine artists.		No (see mainmasters.com)	
Maine Masters Project - Lois Dodd	Artists & Authors	2009	DVD	30	Lois Dodd (born 1927) is a nationally known painter recognized for her intimate, poetic, painterly approach to landscape motifs (including quarries), the nude and floral subjects. She first came to Maine in 1951 and now divides her time between Cushing, ME, New York City and New Jersey. The Maine Masters Project is an ongoing series of portraits of some of Maine’s most compelling yet under-recognized artists. The series was conceived in 1999 by Robert Shetterly and Deb Vendetti of the Union of Maine Visual Artists as an archive of interviews with Maine artists.		No (see mainmasters.com)

Maine Masters Project - Robert Hamilton	Artists & Authors	2007	DVD	30	Painter Robert Hamilton (1919-2004) taught painting at the Rhode Island School of Design for 34 years before moving to Port Clyde. His paintings are based in jazz-like improvisation – witty, surprising, colorful, eccentric. Imbedded in their playful surfaces are themes of personal history and commentaries on the history of art. The Maine Masters Project is an ongoing series of portraits of some of Maine's most compelling yet under-recognized artists. The series was conceived in 1999 by Robert Shetterly and Deb Vendetti of the Union of Maine Visual Artists as an archive of interviews with Maine artists.		No (see mainemasters.com)	
Maine Masters Project - Stephen Pace	Artists & Authors	2008	DVD	30	Indiana-raised, New York City-based painter Stephen Pace (born 1918) fell in love with Stonington on his first trip to Maine in 1953. His paintings of lobstermen, a lily pond and his wife, Pam, tending the garden are imbued with the energy of early Abstract Expressionist roots. Pace is represented in many major American museums. The Maine Masters Project is an ongoing series of portraits of some of Maine's most compelling yet under-recognized artists. The series was conceived in 1999 by Robert Shetterly and Deb Vendetti of the Union of Maine Visual Artists as an archive of interviews with Maine artists.		No (see mainemasters.com)	
Maine Masters Project - William Thon	Artists & Authors	2002	DVD	30	Born in New York City, William Thon (1906-2000) settled in Port Clyde in 1947. Thon's grand theme was the boat; the many vessels he painted in his lifetime in Maine and on the shores of Europe make for an extraordinary fleet. This film portrait includes footage of Thon giving a watercolor demonstration at the Farnsworth Art Museum. The Maine Masters Project is an ongoing series of portraits of some of Maine's most compelling yet under-recognized artists. The series was conceived in 1999 by Robert Shetterly and Deb Vendetti of the Union of Maine Visual Artists as an archive of interviews with Maine artists.		No (see mainemasters.com)

Peapods of the Maine Coast	Boats, Sea & Fisheries	2005	DVD	85	Interviews with 12 individuals who have knowledge of the Peapod. The little double-ended boats known as peapods have played an essential role in the life and history of Maine. They are thought to have originated around 1870, or earlier, around Penobscot Bay. They were the original Maine lobster boat, as fishermen could row either way, and walk up the side to haul a trap. This series of interviews commemorates the boats and captures some of the history and knowledge held by a generation who has seen them pass from working to largely recreational crafts.		No	
Pemaquid: Stewards by the Sea	Boats, Sea & Fisheries		DVD	59	This story of Pemaquid Peninsula on midcoast Maine is told by the place itself and the people who call it home.		Yes. \$17.95	
Salmon Country	Boats, Sea & Fisheries		DVD	29	Between the late 1940s and the late 1980s Downeast Maine was world famous for its Atlantic Salmon fishing. People came from around the corner and around the world, to cast a fly to the "king of the sport fish". Fortunately Phil Harriman of Cherryfield, a visionary and dedicated salmon advocate for more than 50 years, has preserved a piece of history from the heyday of Atlantic salmon angling in Downeast Maine. Phil takes us from landlocked fishing on Tunk Lake to the crowds gathering to watch a sea-run salmon landed in downtown Cherryfield. The film truly brings you back to bygone days.		Yes. \$14.95

Islander	Features	2006	DVD	101	Off the coast of Maine, families have lived and worked the sea for generations. Everyone knows each other. Birthright is akin to law and men inherit their fishing territories. Eben Cole (Thomas Hildreth) continues his family's legacy of harvesting lobsters, but after causing a tragic accident at sea, Eben loses everything. After serving five years in prison he returns determined to win back the way of life he fought so hard to protect. Only now he is an outcast, his ex-wife Cheryl (Amy Jo Johnson) wants nothing to do with him and fishermen see him as a harbinger of bad luck. Only Popper (Philip Baker Hall), an old weathered and gruff fisherman gives Eben a chance to become an islander again.		No

Up in Flames	Tech/Industry	1984	DVD	29	A fascinating look at the development of North American fire detection, communication and fire suppression technology from the inception of the lookout tower to the weather satellite. Remarkable historical footage and photographs show the devastation of fires such as Idaho's 1910 Big Blowup and Oregon's 1933 Tillamook Burn. The impact of these catastrophic fires on the search and development of fire fighting technology is illustrated with scenes of hand tool use, fire plows, aerial tankers, and smoke jumping. The multi-agency Operation Firestop in 1954 is highlighted as an example of the cooperative nature of the research and development effort. Edited and produced by Vester Dick.		Yes. \$19.95

Cut and Dried	Woods & Mills	1919	DVD	26	Two silent logging films produced before 1920 by the Ford Motor Company. Both contain descriptive intertitles. <i>Cut and Dried</i> depicts the lumber camp, felling trees with axes and crosscut saws, and using horses and a steam locomotive to move the logs. A sawmill at Astoria, Oregon shows a large drying yard. Boards are loaded onto railroad cars and steamers. <i>Lumber Industry</i> shows logging through the seasons in Michigan using a highline and steam donkey as well as horses. River drivers ride logs down river and use dynamite to blast a jam. Logs are hauled to a log pond at a sawmill where they are made into boards and shipped to the Northwest. Film from: Footage Farm, Ltd. London, England	PERF	Yes. \$14.95	
Cut and Run	Woods & Mills	1980	DVD	40	Big changes after the turn of the century and the mechanization in the 1950s cut the Maine wood's workforce in half and quickened the pace of the timber harvest. These changes were not without negative consequences. The overall effects to the mental and physical health of the workers is discussed as well as the history of organized labor and the men who risked their livelihoods to fight for better wages. This is an important piece of Maine history and includes wonderful woods-based folk songs and is narrated by Marshall Dodge.	PERF	Yes. \$14.95	
Dead River Rough Cut: Director's Cut	Woods & Mills	2002	DVD	75	Here for the first time, filmmakers Richard Searls and Stu Silverstein present the film, <i>Dead River Rough Cut</i> in its entirety. Covering a period of four seasons in the remote backwoods of Maine this film presents a revealing look at the lives of Walter Lane and Bob Wagg. They live and work in the woods, cutting trees, trapping beaver and accepting their isolation for the independence it affords them. They share their reflections about friendship, women, money, the lone life and death. Digitally remastered with almost 15 minutes of never- seen footage as well as an interview with Bob Wagg late in his life and an interview with the filmmakers Richard Searls & Stu Silverstein.	PERF	Yes. \$24.95	YES
Dynamite, Whiskey and Wood: Connecticut Log Drives	Woods & Mills	2005	DVD	57	A fascinating documentary that brings the forgotten history of the log drives back to life. Every year, river men drove over a quarter of a million spruce logs 300 miles from the river's headwaters near Quebec to sawmills in Massachusetts.		Yes. \$19.95	
Fire of '47: The Year Maine Burned, The	Woods & Mills	2011	DVD	70	The Great Fire of 1947 was actually a series of more than 200 forest fires in Maine that destroyed thousands of acres and entire towns. This is a compilation of silent amateur footage and newsreels.	PERF	Yes. \$19.95
